

3rd February 2023

Message from Mr O'Sullivan

There are moments in education when the compassion and spirit of humanity shines through. A story was fed back to me about two of our lovely sixth formers who took it upon themselves to Hoover the Sixth Form common room as they were concerned about the mess that had been created on a particular day. I won't mention the names of the two students, but their actions embody our values and the quote that we have placed facing into our canteen which simply states: "Education is for improving the lives of others and for leaving your community and world better than you found it." - Marian Wright Edelman. Well done to both students and a huge thank you from me.

Holocaust Memorial Day

To mark Holocaust Memorial Day last week, on Tuesday we invited three guest speakers in to share their testimony with our students. Sophie educated Year 9 students about the 1994

genocide against the Tutsi in Rwanda. Her story is an incredibly moving one, and it was wonderful for her daughter to come along to support her too. We were also particularly grateful to Sophie for coming as she works as a full time nurse and had just completed a night shift. She also told us that she is writing a book with her story in it, with the help of another local history teacher Mr Lawrence, and we very much look forward to reading this too. Another speaker, Maralyn, shared her father's story with Year 10 and 11. It was inspiring to hear about how a spoon helped him to survive several camps, how he escaped the gas chambers, and his time in Lake Windermere after the Holocaust. Finally, Lesley spoke to Year 7, 8 and our Sixth Form, and was powerfully able to share the story of her family

Year 11 & Year 13 mocks start - 6th February

Last day of term – Friday 10th February

INSET day – 20th February

Dates for your diary:

Yr 9 Virtual Parents' Evening – 9th February, details to follow

29th/30th March – We Will Rock You school show

using a large amount of video clips, photographs and letters. We are so grateful to all of these women.

The Shadow of the Wind by Carlos Ruiz Zafon

Wuthering Heights by Emily Bronte

Pachinko by Min Jin Lee

Year 11 & 13 mocks

We wish our Year 11 and Year 13 students the very best of luck in their upcoming mock examinations!

Reception Library

As you will know from our recent letter home, we are hoping to set up a small library in our reception for parents and carers to use. We would like it to contain books which parents and carers would enjoy reading by themselves, but also books which they'd enjoy reading to or with their children. We hope this could be a brilliant resource for our school community, however we are relying on the generosity of donations from our parent and carer body in order to make this possible. We are hoping that some of you might be able to donate second-hand books which could be shared. We would really like the library to contain a wide range of books, so if there is a book which you enjoyed, whether it is fiction or non-fiction, I am sure it would be perfect!

If you do have any books which you'd be able to donate, please send them in, and ask your sons and daughters to bring them to Ms Rigin in room 1.24. Any support will be highly appreciated. Some inspiration/ideas of the sorts of books it would be great to have are below:

Books recommended by Mrs Johnson

East of Eden by Steinbeck

Romanovs by Simon Sebag Montefiore

Long Walk to Freedom by Nelson Mandela

Bloody Foreigners by Robert Winder

The Mountbattens by Andre Lonie

The Time Travellers Guide to Medieval England by Ian Mortimer

Pride and Prejudice by Jane Austen

Half of a Yellow Sun by Chimamanda Ngozi Adichie

Purple Hibiscus by Chimamanda Ngozi Adichie

Little Women by Louisa May Alcott

Normal People by Sally Rooney

The Butterfly Lion by Michael Morpurgo

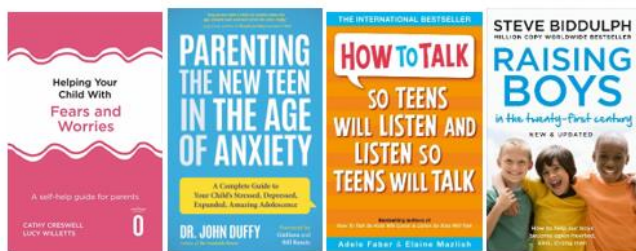

Red Fortress by Catherine Merridale

Lifestyle

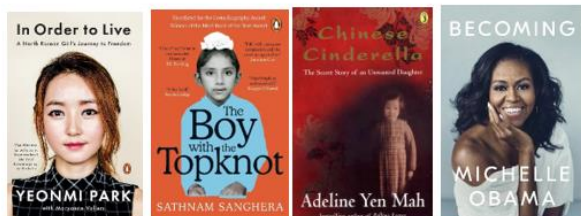

Parenting Books

General Fiction

Autobiography

Reading With Teens

Maths Champions

Eight of our students from Year 12 and Year 13 took part in the Senior Team Maths Challenge regional round (London and South East England) on Thursday 26 January. We travelled to LAE Tottenham to participate in the team competition, among 27 other groups. Our two teams completed three rounds of intriguing maths challenges. Firstly, a Group round, where they had 40 minutes to work through 10 challenging questions either individually or helping each other. Next up was the Crossnumber round, in which the teams divided into pairs, one pair taking the across clues, the other pair working on the down clues - helping each other to fill out the entire grid. Lastly, the teams competed in the Shuttle round, where one pair's solution to a question was the other pair's input value for the next task. Our

students worked hard on each of the rounds, and achieved fantastic results:

Lilu K, Max R, Oliver P, George B - **6th place**

Caiden P, Ben H, Benediktas M, Wassim H - **17th place**

We look forward to participating again next year!

Middlesex Cross Country Championships

Last Thursday, Mr Evans took Jack, Kit, Barnaby, Eleanor, and Holly to the Middlesex Cross Country Championships in Harrow. These students qualified for this race at the Richmond Borough Championships in December. It was a great day out with some fantastic results over the mud, grass and hills.

National Apprenticeship Week

Monday 6th February 2023 - 3.15 - 4pm Apprenticeship Speaker.

If you are interested in doing an apprenticeship either post GCSE or A Levels then this is your chance to hear from the experts about what it is like to do an apprenticeship and get practical advice on how to apply and access apprenticeships. We have a speaker from Way to Work (part of Achieving for Children) coming in to speak to students at Turing House School during National Apprenticeship week. They will be inviting current Apprentices in alongside to answer any questions. Please go to Mrs Gould's room (1.04) at 3pm.

Year 9 D&T

Year 9 have been working very hard finishing their Japanese inspired Tote bags - we've even had the ironing board out! Students' designs were wonderfully inspiring with many different Japanese styles learnt and developed, bringing together modern and traditional techniques. Well done, Year 9!

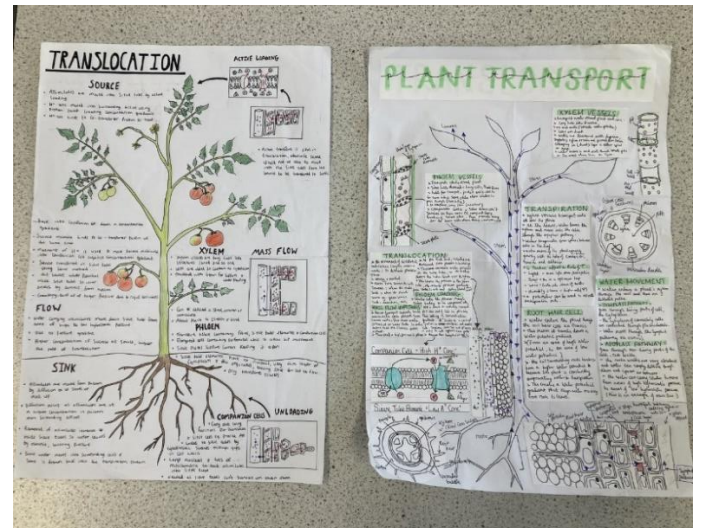

Year 7 Food Tech

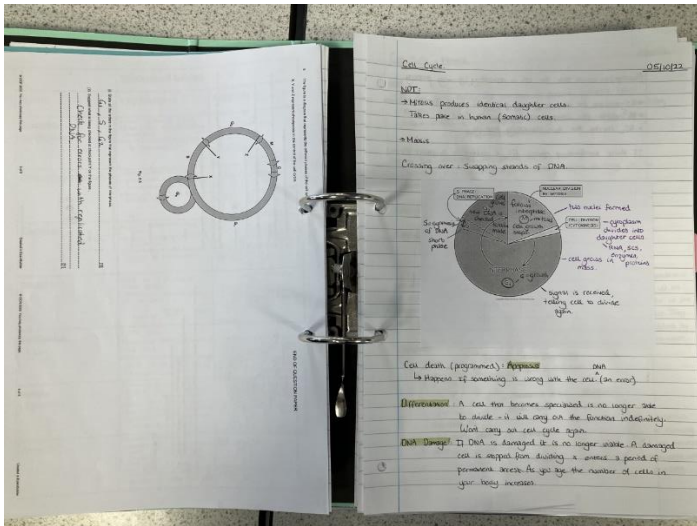

Year 7 have been very excited to get in the kitchen over the last few weeks. We've seen some fantastic cooking skills being developed; Charlie here made his very first vegetable stir fry. Well done, Year 7!

Year 12 Biology

Some lovely examples of work from our Y12 Biology students. Great effort and well done Ellis, Emily and Georgia!

Year 7 Flamenco Workshop

On Tuesday Year 7 were treated to a Flamenco Workshop during their Spanish lesson. Students participated brilliantly and enjoyed practising the different dances. They also experienced the famous flamenco instruments and outfits, and some got to try out the castanets and maracas.

GCSE History Germany Trip 2023

This week we launched our GCSE History trip for October 2023. All Year 9 students and Year 10 History students have received a letter with the trip details on Bromcom. Please speak to Ms Riglin if you have any questions.

Year 11 English

Y11a/En5 have been working together to create some useful *Macbeth* revision resources for mocks. Mind-maps work well for all subjects as a way of capturing key information and ideas.

British Science Week 2023 - Poster competition

British Science Week is fast approaching and this year's theme is 'connections'. Year 7 – 9 students are invited to take part in BSW's

national poster competition, exploring this theme. The winners of which will be announced during British Science Week. Hand your entry to Mr Hall, Mr Jacks, or Mr Hatzidakis by the 24th of March and the top 5 entries will be submitted to the organisers of British Science Week for judging. More information can be found here: <https://www.britishscienceweek.org/plan-your-activities/poster-competition/>

Good luck!

Year 8 Boys Basketball v Twickenham & Lampton

The Year 8 boys finished the preliminary round of their Junior NBA league last week with matches against Twickenham and Lampton. A slower start than intended against Lampton meant that the boys found themselves in a slight points deficit by the final quarter, although by only a small margin. The match finished 22-10 to the opposition. Next up, however, was Twickenham and the Turing team were determined to salvage something from the afternoon. They did just that as they quickly turned things around on the court to secure a convincing win. They will now go through to the next stage of the Junior NBA competition which kicks off soon. Well done to all involved! w v T; l v L 22-10

Year 7 Boys Basketball v Hampton High

The Year 7 boys continued their borough league on the basketball court last week - they travelled to Hampton High. Having suffered a heavy loss to a strong Teddington side in the previous fixture, the boys were determined to make amends this time round and get back to winning ways. The Turing team did exactly that as they put a huge score past their opponents and only

conceded just one basket in each quarter! A superb effort by the whole team; they are next back in action just before the half term against Twickenham. Well done to all involved!

LGBT+ History Month Assembly

This week all year groups watched an assembly on LGBT+ History led by Ms Riglin and several Year 7 volunteers. Well done to all the speakers, with a special thank you to Florence, Kai, Jasper, Levi and Jude. A review of the assembly will be coming soon from journalism club!

Outreach at Oriel College – 2023 events

See below for a list of events taking place across the University of Oxford including subject taster days, competitions, and support for teachers.

If you are interested in keeping up to date with the many outreach programmes run across the University of Oxford, do take a look at the Oxford outreach event calendar which you can find [here](#).

As always, Oriel College offers several distinctive events, including:

- School visits for all ages
- Attendance at Careers & HE Fairs
- Regional Hub events & collaborations with Cambridge
- Application support & interview workshops

More information can be found on our Schools Liaison page [here](#). If you have any questions whatsoever about the support Oriel College can offer don't hesitate to email outreach@oriel.ox.ac.uk.

What's on?

Oxford for West Midlands Virtual Teachers' Conference

Oriel is delighted to offer this virtual event series alongside Keble and University Colleges (Oxford for West Midlands) during February 2023. This virtual conference is offered for teachers and other school staff involved in supporting university applications and aspirations at state sector schools and colleges from anywhere in the UK. The virtual conference is not open to prospective students.

Please note that the programme for this virtual event has changed slightly since it was first published, and will now take place over two evenings, on 8th and 15th February (16:00-18:00).

All delegates will receive joining links for all sessions, as well as access to recordings after the event. All sessions will be hosted using Zoom webinar technology. It is hoped that these arrangements will make the virtual conference as accessible as possible to teachers and school staff.

The virtual conference will take place on two consecutive Wednesdays: 8th, and 15th February. Find out more about the programme by clicking the link above.

Please complete this form to register by 12 noon on 30th January 2023. Any questions should be directed to India Collins-Davies, Access & Outreach Officer: outreach@keble.ox.ac.uk.

Rex Nettleford Essay Prize for Year 12 Students

We are pleased to share that the Rex Nettleford Essay Competition on Colonialism and its Legacies for year 12 students are now open for submissions from Year 12 students. The Rex Nettleford Essay Prizes are intended to encourage students to engage with the legacies of colonialism in all its forms – historical, political, social, cultural. As well as the competition, an annual lecture on 'Colonialism and its Legacies', takes place every Trinity Term. By writing an essay for the prize, a student has an opportunity to uncover the enduring influence of colonialism in our society and culture and to address some of the difficult and uncomfortable questions that it poses. The questions that will be explored during this year's competition are:

1. What role do the arts play in the creation or challenging of racialized hierarchies?
 2. Pick an object that you think illuminates the legacies of colonialism, and explain why and how.
 3. How long do the legacies of colonialism last?
 4. "The truth is one and same, everywhere in the universe. Therefore, proposals to de-colonise academic curricula are wrong-headed." Discuss.
- The winning entry will receive a £250 prize which will be awarded at Oriel College on the occasion of the Rex Nettleford Lecture during Trinity Term 2023. Entries should be no more than 2,500 words in length, and the deadline for submissions is 12:00 on Friday 17th March 2023. For more information, please see the webpage linked above.

Mansfield College Further Education and Sixth Form College Open Day

Mansfield College are excited to announce the annual

Further Education and Sixth Form College Open Day is returning this year on 17th March! This event is open to students and staff in Further Education and Sixth Form Colleges. The aim of the day is to provide students with a taster of studying at Oxford, and to give staff information and advice about supporting a student's application to Oxford. There are 150 places available on this event. In order to allow as many colleges as possible to attend the event, the maximum number of places available for each college is fifteen students and three staff. To book places for your college, please complete the booking form below by 17th February. There will be up to 70 rooms available for overnight accommodation on 16th March (this is free of charge). Priority will be given to those travelling long distances. Please specify on the booking form whether you would like to be considered for this accommodation. The booking form can be found here.

Somerville Virtual Study Days

Somerville is hosting our 2023 virtual Study Days from the 14th to the 17th of February. These are open to all Year 12 students currently at a UK state school or college. They are entirely free of charge. The Study Days will feature taster lectures or workshops run by Oxford University academics, which will offer a challenging and entertaining introduction to university-level study of the subject. The sessions are open to all Year 12 students at a UK State School who are taking a related subject, and/or are thinking about going on to study a related subject at university. There will also be opportunities to hear advice from admissions and outreach staff about applying to Oxford and Cambridge, and to ask the college tutors and current undergraduates questions about their subject of interest. More info and the booking form can be found on the webpage linked above.

St. Peter's Engineering Residential

Applications are now open for the St Peter's College Engineering Residential, aimed at prospective applicants. As well as providing a taster of Oxford University life, the residential will enable students to meet tutors and current undergraduates, experience an engineering tutorial and explore the Engineering

department. **For more information and to make an application please visit: [Subject Residentials | St Peter's College Oxford](#)**

Exeter College Subject Days

Each year Exeter College hosts a series of subject days for year 11 and year 12 students attending UK state schools. The subject days aim to provide tailored support for students interested in exploring a range of subjects at University level.

The subject days will take place on the following days this year:

Wednesday 15th March: Social Sciences

Friday 17th March: Modern Foreign Languages (MFL)

Friday 24th March: STEM

Tuesday 28th March: Humanities

Register your interest here by Friday 17th February:

<https://oxford.onlinesurveys.ac.uk/exeter-college-subject-days-2023>

Historia Lectures

The Faculty of History at the University of Oxford is running a series of lectures on Tuesdays for Year 12 and 13 students. Aimed at students currently studying for A levels or equivalent these lectures are designed to introduce you to new and engaging historical topics and periods. Lecture subjects are drawn from current DPhil candidate research. Live sessions include an introductory lecture, Q&A and suggested reading materials to help you explore the topic further. Explore the spring term lecture topics and sign up through the faculty website, linked above.

Corpus Christi College Law Residential

Applications for Corpus Christi's annual Law Residential are now open! Corpus Christi's Year 12 Law Residential is a great opportunity for aspiring lawyers to gain an insight into studying law, and to find out about life as a lawyer at the University of Oxford. The Residential is available to all aspiring Lawyers, who are currently studying in Year 12 (or equivalent) and will take place in person at Corpus Christi College from Monday 13th March to Tuesday 14th March 2023. Meals and overnight accommodation are provided free of charge to successful applicants. The Residential features the opportunity to meet with Corpus' Law Tutors, to attend various Law workshops, and a workshop on Applying to Oxford.

For more information about the Law Residential and how you can apply, visit the webpage linked above. Applications will close at midday (12pm) on Tuesday 7th February 2023.

Year 12 Subject Taster Days (Keble College)

At Keble, we are looking forward to hosting four in-person Year 12 Subject Taster Days in Oxford in February 2023. These immersive, academically-focused events are designed to support state school students in Year 12 in making informed decisions about their studies. Taster Days in Maths, History, Chemistry and Modern Languages (French & Spanish) will offer information about the courses; insight into research, teaching, and career progression; hands-on application advice; and the opportunity to meet Keble tutors and students who share your interests.

Each Subject Taster Day will run from 10:00-15:00. Support is available for attendees' travel expenses.

- Monday 20th February – Mathematics (applicants should be studying Maths at A-Level, Further Maths strongly recommended)
- Tuesday 21st February – History (applicants should be studying History at A-Level)
- Wednesday 22nd February – Chemistry (applicants should be studying Chemistry and Maths at A-Level)
- Thursday 23rd February – Modern Languages (applicants should be studying French and/or Spanish at A-Level)

<https://forms.office.com/r/sF9iM5AL6i> to apply, deadline 12 noon on Monday 6th February. For any questions contact outreach@keble.ox.ac.uk.

Year 12 Study Days (University College)

We are hosting our study days here at Univ in Feb and March next year! Applications are open now and close at the end of January! If you were all able to share and promote the attached with your schools and teachers in your next mailings I would be most grateful! I've included some posters below. More information, including the application form, can be found here:

<https://www.univ.ox.ac.uk/outreach>

- We have days covering the following subjects:

- Classics, English and History (22/02/23)
- Medical Sciences (01/03/23)
- Law and PPE (09/03/23)

Modern Language Open Days

Over the course of February and March, the Faculty of Medieval and Modern Languages will be holding its language-specific open days, designed to provide greater insight into our undergraduate degree programmes. In comparison to the wider Faculty Open Day later in the year, language-specific open days are smaller and more focused in their scope, allowing more time to explore a language and its culture in greater depth. If your students are thinking about applying to study languages at Oxford or want to find out more about a particular course, these open days offer a wonderful opportunity to meet some of the faculty's tutors and current students, experience academic taster sessions, and ask lots of questions. Students and their teachers or guardians will need to book a place at these events, which can be done via the faculty's open days webpage (linked above), where further information about the individual event programmes can also be found.

Oxford Materials Science Open Days At our annual Materials Science Open Days, you will get the chance to experience what studying Materials Science at Oxford is like. You will gain insight into the subject through taster lectures and workshop sessions, along with a feel for Oxford itself with tours of both the department and an Oxford college. These will take place in person on the 16th February and the 14th and 15th March, and online on the 17th February. For more information and to book onto an open day, please use the link above.

Uncover Engineering

If you've got an interest in solving problems with an innovative style, the Department of Engineering's Uncover Engineering free residential programmes this April will help you explore this further. Staying at an Oxford College, Uncover Engineering is designed to give Year 10 students a taste of engineering at Oxford. There are 2 Uncover courses running in 2023: for Black

Students, 29 March - 1 April; and for Female and Non-Binary Students, 2-5 April.

Deadline for applications: 16:00, Monday 13 February 2023.

A fond farewell!

It is with a heavy heart that after 6 years with the school, Abdul (our day cleaner) is leaving us. He has been a great member of Turing House and will be sorely missed.

Mr Jones, Premises Manager

Girls Group

Girls group

Heatham House young women's group for those 11 to 19 years

Thursdays 3.30pm to 5.30pm

A safe space for young women to come, have fun, be creative and get advice and guidance from female youth workers

Rotary Youth Leadership Awards 2023

The Venue
The District 1145 Rotary Youth Leadership Awards (RYLA) is held at the High Ashurst Outdoor Activity Centre in the beautiful Surrey Hills on Box Hill near Dorking. The upgraded activity centre, with magnificent Deluxe Log accommodation Cabins, all with en-suite bathrooms, offers excellent opportunities for outdoor team building programmes and sports activities. These modern facilities include a newly built climbing wall like no other. The refurbished centre provides a kaleidoscope of training and activity opportunities and offers you training that will be stimulating, involving, challenging and fantastic fun.

RYLA will help you:

- Develop personal self-confidence whilst leading others
- Increase individual self-esteem by stepping outside one's comfort zone and realising what can be achieved by pushing that bit further
- Improve your leadership skills
- Gain exposure to a variety of issues
- To meet a wide range of young people with similar interests
- Improve career skills and knowledge

How do I apply?
If you would like to attend RYLA 2023 please contact your local Rotary Club and ask for an application form.

Further details can be obtained by contacting Alan Wellman (District Rotary Co-ordinator) Mobile 07951 413877 Email: alanwellman@btinternet.com

ROTARY INTERNATIONAL DISTRICT 1145 ROTARY YOUTH LEADERSHIP AWARDS 2023

National Sleep Helpline – new opening hours

the national sleep helpline

Does your child suffer with sleep issues?

Do you struggle with your child's bedtime?
Will your child not sleep in their own bed?

WE CAN HELP

03303 530 541
Sunday - Tuesday & Thursday 7pm - 9pm
Wednesday 9am - 11am

50%

Around 50% of children will have a sleep issue at some point*

WHAT IS THE NATIONAL SLEEP HELPLINE?
 In partnership with Furniture Village, The Sleep Charity has launched a brand new National Sleep Helpline to ensure that everyone has access to high quality, evidence-based advice.

HOW CAN THE NATIONAL SLEEP HELPLINE HELP YOU?

- Run by a team of specialist trained sleep advisors
- Offer you some practical strategies and recommend services that could help
- Ensuring you understand how sleep plays an important part in your child's mental health and wellbeing
- Listen without judgement and help you decide what next steps are right for you
- Empower you with sleep knowledge so you can understand why your child might not be sleeping well and how that can change

03303 530 541

Sunday - Tuesday & Thursday 7pm - 9pm
 Wednesday 9am - 11am

Marble Hill Playcentres Board of Trustees

Trustee Recruitment: Join Our Adventure in 2023!

Marble Hill Playcentres is a well-recognised local charity, and this is an exciting time to join us as trustee. You'll have scope to shape the partnerships we build, the services we expand, and the programme of site renovation, in consultation with children and their families. Joining our board is an excellent way to learn new skills, develop diverse local relationships and gain a real sense of achievement alongside professional and family life.

We would particularly like to hear from you if you have one or more of the following:

- Knowledge of **building construction**, particularly surveying/ project management
- Professional or personal experience of **children's education or play services** in the borough
- Knowledge or experience of **community or corporate fundraising**

However, we appoint trustees mainly on the basis of **shared passion to protect and steward the Playcentres** for future generations of children and their families to enjoy. Previous board/trustee experience is not necessary, and we welcome applicants from all backgrounds and of all ages.

You can find more details at <https://marblehillplaycentres.com/about-us/recruitment/>, or email kate@marblehillplaycentres.com for an informal chat.
