

## Sport Relief Update

We are pleased to announce the the total figure raised for Sport Relief was a huge £1033.21 Congratulations to everyone.

After our successful run in the park we ran 4 challenges against members of staff. Miss Monk took on the students with a timed "plank". Miss Monk managed a time of 5.35 min with Mimi Williams close behind with a time of 5.25 min.

Miss Monk then took on the students in a balancing competition. This time she was beaten by Nina, Yasmin, Mimi, Harriet and Mrs Winch. Mimi holds the record of 4.14min. On the right leg, Mimi also stormed to victory holding balance for 5.10 minutes.

In the 1km bike challenge Freddie was the fastest student by 1 second, coming close to Mr O'Sullivan's time. As you can see from the results below, this was closely fought and something we will no doubt continue.

Both staff and students left the school site glowing after a fabulous day. CEO of RET Karen Lynch was in for a meeting and commented saying, 'Your parents and governors must be thrilled by the rich and varied education their children are receiving. Well done Turing House!'

Chess

The Chess league commenced on Monday with some fantastic games taking place....

Start of term arrangements

School starts again at 0830 on Monday 11<sup>th</sup> April. There have been some minor timetable changes to ensure that Ms Willoughby can also work with the PE classes as well as teaching her technology and sport classes. PE remains on a Tuesday though – don't forget your kit.

End of Term Assembly

Our Easter Celebration assembly takes place after the Headteacher update goes to print. However, as we did at Christmas, awards were given to two students in each form for the following two Turing Values: Perseverance and Creativity. 100% attendance awards were given out and a review of the term's sport was given by Mr Day. We were also delighted to award our first ever Jack Petchey awards. More details on that in our next

edition. Joe W performed his Grade 6 piece entitled Wit and Wisdom of the Night. The school band (Joe, Freddie, Eita, Joe, Louis, Zach, Federico, Harry, Jamie, Will, supported by Mrs Winch and Mr O'Sullivan) also performed two Beatles numbers.

Holiday Rehearsals for The Witches

A reminder that the cast and crew will be rehearsing Thursday 7<sup>th</sup> & Friday 8<sup>th</sup> April from 9am – 3pm at The Mall School, Twickenham. All participants will have received a more detailed letter from Ms Sherry.

London Youth Games

The London Youth Games competitions have recently arrived with a range of competitions open to year 7 students.

Most of these require parental rather than school entry. For any queries however, please contact Mr Day through the usual email or contact the LYG team in the poster above. A full list is on the back page.

**Boy's Rugby Match v Twickenham Academy**

The match at Twickenham Academy started well with the forwards putting good effort in and then our team eventually scored a try, which was finished off by George Hamblin. Soon after the first try we came back with another. This was a well worked try and was a great team effort. At half time we decided that we would try to get the ball round the pitch more and through the hands. Our boys knew this wasn't good and Lewis Quintrell decided to put a try back on them; it was a great try and got the team spirit back up. Almost straight after this the ball was kicked to Ben Saunders, who made a fantastic run which I would say may challenge Antony Watson's runs during the Six Nations. The team then rucked well and managed to get another great team try. The ball was then given to Joe Steggle, who added a cheeky side step and scored just before the match ended. Overall the match was a WIN for us. The final score was 1-7. There were some stand-out performances from Ben Saunders, Danny Bolton, Joe Steggle and all the forwards.

**Tuesday Cycling Club – 12<sup>th</sup> April**

Students wishing to take part in this club must bring in their bicycles and wear helmets. In our first session we will be riding on gravel and grass in Bushy Park. We will cover approximately 20km

**Hampton & Richmond Borough FC Fun Day**

**Elleray Hall Easter Party**

On Tuesday, our choir and visitors were lucky enough to join in the fun with Elleray Hall's Easter party celebrations. Instead of singing together as we normally do, this week we simply enjoyed chatting with the members and we even got to have a mini lunchtime disco (nothing like a little round of the hokey-cokey to invigorate the spirit!), thanks to the wonderful entertainment provided.

We are very much looking forward to performing at their annual Open Day on 21<sup>st</sup> April – save the dates for your diary
