

## Witches - Photographs

Photographs from last week's fabulous performances can now be viewed in the school gallery:

[www.turinghouseschool.org.uk/documents/gallery](http://www.turinghouseschool.org.uk/documents/gallery)

## Witches – the DVD

Mr Kenyon has put together a DVD of the performance. Copies will cost £5 with all proceeds going to Turing House Friends to support the school. If you would like to purchase copies please order them online here:

[turinghouseschool.parentseveningsystem.co.uk](http://turinghouseschool.parentseveningsystem.co.uk)

## Mensa Puzzle

Which of the following numbers is the odd one out?

459 314 268 527 145 638

**Last week's answer:** *Reversing and reserving.*

## More Piano Success

Congratulations to Sam Hardaker in 7MO who recently passed grade 1 with distinction.

## Turing House Friends – Quiz Night

THF are organising their first major fund raising event on 26<sup>th</sup> May. The Quiz Night will be held at school and tickets, which include a curry, will cost £10. Look out for more details soon but please put the date in the diary and start organising your teams of 8. If you'd just like to come along and join in a team from your child's tutor group that's ok too!

## Forthcoming Events

**28 April:** Junior Maths Challenge (in school during lesson time)

**2 May:** May Day Holiday - School Closed

**19 May:** Grass Track Cycling session in Bushy Park

## Fixtures

**29 Apr:** Indoor Rowing – venue tbc

**3 May:** Boys' Cricket - HOME v Christs

**3 May:** Girls' Rounders - AWAY v Hampton Academy

**6 May:** Boys' Rugby League Tournament at Twickenham RFC

## Witches Cake Boxes

THF made a small profit for their school funds from the sale of cake and refreshments at the performance – thank you to everyone who contributed some cakes. There are however a number of unclaimed boxes. If they are yours then please do pop in to the office to claim them back.

## Sickness Reporting Online

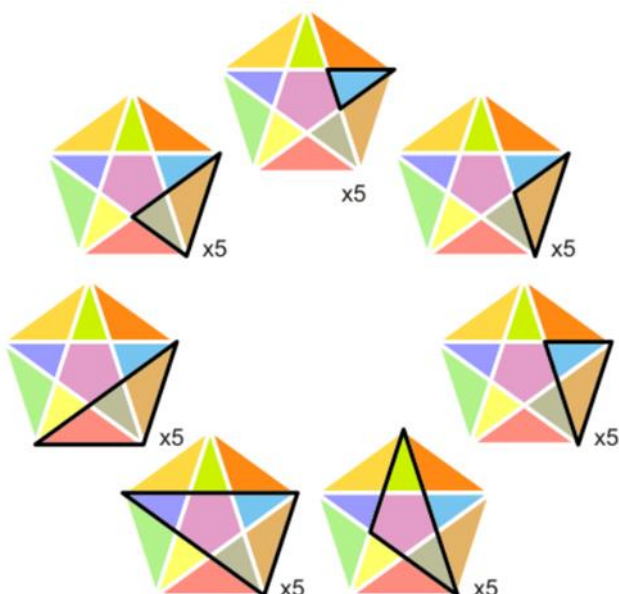

**Studybugs** is the new name for Sickly.

**Mobile Apps:** Parents might notice the Sickly app has automatically updated and is now called **Studybugs**. If not, an update can be installed from the relevant app store. Meanwhile the old apps continue to work as before.

**Website:** Old links will redirect automatically, but for the best results we recommend you update your bookmarks to <https://studybugs.com>

## Last Week's Numeracy Puzzle

There are seven groups of triangles shown in the diagrams. Each group consists of exactly five triangles with every triangle rotated 72 degrees around the centre of the pentagon; one triangle from every group is highlighted in the respective diagram. So the total number of the triangles in the pentagon is  $7 \times 5 = 35$ .

## Space Seeds

Our seeds from space finally arrived at Turing House, much to the excitement of Miss Wilkinson and her STEM club. The planting has now taken place, so we hope that we get some positive results in the coming weeks.

## Cycling Competition

Students who are interested in the grass track cycling session should get names to Mr O'Sullivan ASAP.

## Boys' Football v Hampton Academy

On 19<sup>th</sup> April, Turing House Boys went to play Hampton Academy away for our last league game of the season. The first half was pretty evenly matched until Hampton Academy went 1-0 UP due to some sloppy defending. However, on the stroke of halftime we saw a stunner from Albie B to get us level at the break. We started the 2<sup>nd</sup> half positively and managed to get a goal to put us in the lead, scored by Matthew C. He then added 2 to the tally and the match finished 4-1. Our hat-trick hero Matthew C bagged Man of the Match and it was his 8<sup>th</sup> goal in 4 games. This was a good way to end the season, leaving us with 3 wins and 1 loss, finishing second in our pool. *Max R (Captain)*
