AFTER SCHOOL		STEM ICT Suite – Guest Speaker Mr Grobler running a session on coding			

There will be science based quiz questions every day during the week for you to win Tutor Cup points!

Swimathon

Richmond Borough
Swimathon

2017

On Saturday, 14 volunteers from Years 7 & 8 took part in the Rotary Club Swimathon. The event is a fundraiser for the charities supported by the Rotary Club as well as to raise money for our own school sports equipment. We had to swim as many lengths of Teddington's 25m pool as we could in 55 minutes. We were divided into three lanes under the watchful eyes of the Rotary Club officials. The girls' team swam a combined 122 lengths as did the two Year 8 boys in a lane of their own. Meanwhile the Year 7 boys' team managed 136 lengths! It was hard work and difficult to use our arms that afternoon but we were proud to have swum so far. Well done to all. We would be really grateful if you could reward our efforts using the following link; it would be great to support the Rotary charities and extend our gym! **Luca D**

Food books and practicals

Currently a large number of students are cooking food practicals at Turing House. Before a food practical there is always a theory single lesson where students are required to bring their food books. Unfortunately, a large number of students are forgetting to bring their books making it quite disruptive at the beginning of each lesson. There is a blanket rule for every student

Forthcoming Events

23rd March: Parents' info meeting re Y7 Bushcraft trip, 7pm
23rd March: Parents' info meeting re Y8 Spain trip, 6pm
24th March: THF Comedy Night
31st March: School closed for INSET day
1st April: Jurassic Garden planting, 9.30am
3rd-13th April: Easter Holidays
18th April: Students return to school
19th and 20th April: School Production - Beauty and the Beast

Fixtures

14th March: Y8 Boys' Football AWAY v Twickenham Academy
20th March: Y7 Girls' Netball AWAY v Hampton Court School
21st March: U13 Girls' Netball AWAY v Orleans Park
21st March: Y7 Boys' Football AWAY v St Richard Reynolds CC
28th March: Y8 Boys' Football AWAY v Grey Court

whereby if they forget their food book they cannot take part in the following food practical. If students want to cook in the following lesson then they should show their teacher the correct page in their food book filled in **BEFORE** the food lesson. Emails and notes from parents regarding reasons why a student has forgotten their book will not be accepted; it is important for students to learn the skills of independence and planning. If you wish to discuss this further, please contact the school.

Jurassic Garden Update

We are very pleased to announce that we have been awarded £2,000 by Tesco to make our garden a reality. Thank you to everyone that went out of their way to shop in Tesco and donate their blue token!

A big thank you to Turing House Friends, parents and students that have already given up their time to prepare our garden. We are now in a position where planting can begin very soon.

Mr Jones and Ms Garrod have ordered the many plants needed, so all we need now is to plant them.

We will be planting the garden on **Saturday 1st April**. Eco Club members will have marked out the location of the plants prior to this, so that should speed up the process.

If you are able to help, we will begin at **9:30am**; bring yourself and a spade. To help us plan the day, could you please let the office know if you plan to attend. Many thanks in advance!

Comedy Night Reminder

There are still seats available at the THF Comedy Night. It's not too late to buy tickets so please do come along and support the school.

Votes for Schools

Does Trump influence the news?

With his radical ideas and general xenophobia, he is corrupting our minds and might even put America back into the Stone Age. His perception of news will lead our generation to question everything, from religion to our government's leading figures. His mentality is that the news is just there to spread rumours and gossip. He claims that Global Warming is just a myth, and that if it is real it would be good as it would eventually warm up New York. Is that a man that should run one of the world's most powerful countries? No. After the elections he also claimed that the much loved 44th president of America had tapped his personal phone; he also claimed that Russian spies had made him win the Presidential elections. This paranoia could begin to transfer onto the American people. Overall, we believe that Trump is planting prejudice and misconceptions into our heads. **Will W and Daniel W**

always getting interceptions down court. The play was quick throughout with no footwork. We have really been improving as we are still undefeated. I would like to say a special well done to Phoebe H for winning a well-deserved player of the match. Phoebe plays goal shooter and scored the winning goal last minute from under the post. Well done, girls. **Mimi W**

On Tuesday the **Y7** girls played against St Richard Reynolds. We had a great win with the overall score of 5-2. Our player of the match was Goal Defence (Leah K) and Goal Attack (Missy D). **Missy D**

Y7 Boys' Football v Twickenham Academy

On 7th March the Y7 boys' football team played an away game at Twickenham Academy. The team members were Sherif N, Matt M, Kit H, Jack H, Joel Q, Sonny N, Alex Y, Harley C, Jamie S, Charlie K, Avin M, Taylor B (Captain), Jay G. It was a very tight game. We were very defensive in the first half but then in the second half we pushed up and tried our best to score. Matt M had a great chance to score on the right. The ball was played through to him, he ran down the line but unfortunately he hit the side netting for a near-miss but earned him MOTM. Both sides played well and the final result was 0-0. **Taylor B**

Draw and Explore Family Art Walks

This exciting series of free family art walks will set off from Orleans House Gallery and adventure to a different local area each week. The whole family will create artworks inspired by nature and local heritage as we go. These are all-weather sessions so please bring your waterproofs and wellies if necessary!
www.richmond.gov.uk/draw_and_explore

Netball Fixtures v St Richard Reynolds

The Y8 girls came home with another win last Tuesday! We played against St Richard Reynolds and the score was 12-11. This week the girls' defence was really good,
