Mexico Appeal

You are probably all aware of the devastating effects of the earthquake that occurred in Mexico on Tuesday this week. The tragedy is particularly poignant for Turing as Mexico City is where Miss Monk, who taught Spanish with us for two years, was born and raised.

If you feel you could help contribute to the relief effort there, please visit <https://www.cruzrojamexicana.org.mx/> to find out more.

Y9 Netball Victory

The Year 9 netball team played against St Richard Reynolds on 21st September. It was a great start to the season and our team won 28-17. The play was fast down court, with accurate footwork and good shooting. The defence was very strong with all the girls working at their absolute best. I would like to say a special well done to Jess for exceptional defence, intercepting mostly every single pass down court. The player of the match went to Mimi. Congratulations girls! **Mimi W**
