

## Lead/Senior Students

Congratulations to the following students who applied and were successful for Lead/Senior Student roles.

It was an incredibly rewarding, but also difficult process, as we found that so many of our students are ready to step up and take on some responsibility within our school community. We are introducing a Senior Student programme, which will allow all of the students who applied to select an area of expertise in which they will support with whole school development.

## Eid

Congratulations to all of our Muslim students who have completed the fasting period of Ramadan. Students will now celebrate with the Eid al-Fitr. Eid al-Fitr is a religious holiday celebrated by Muslims all around the world. The occasion marks the end of the Islamic holy month of Ramadan in which Muslims fast.

It is believed that Prophet Muhammad got the first revelation of the Holy Quran during this month. The date of the festivity is dependent on the combination of the sighting of the new moon as well as the astronomical calculations. Moreover, the onset of Eid also depends on where an individual is in the world and when the new moon is seen.
