Please do ask your son/daughter how to say words in these languages!

Thursday - Spanish

Friday – Italian

School Photographs by Kittle Photography

Photograph proofs of individual students and their year group have been given to the students this week to bring home. If you would like to order photographs then please complete the slip, enclose the exact money and return to the school office using the plastic envelope provided, **by Friday 28th September.**

Those who miss this deadline will need to order direct from Kittle online thereafter and incur delivery charges.

Parent Pay - Canteen

Please remember to keep your child's account topped-up. This can be done through the parent pay system.

You should now be able to view via parent pay which items your son/daughter has purchased in the canteen each day. We are currently working to be able to show you at what times of the day they purchased these items.

Poetry Competition

Last year, students were encouraged to enter a Young Writers poetry competition in English lessons. We are delighted to announce that two of our students' poems have been selected for publication! Well done to Finn Worley Brady for his poem titled 'Outsider' and Mia Shead for her poem titled 'Don't Hide From Nature'.

Mia requested to not have her poem published in the newsletter, but here is Finn's poem.

Miss Andrews will soon be opening up this year's poetry competition, so watch this space!

Outsider

They're an outsider as different place is where the heart lies,

But for a reason we'd not relate to...

Ok let's just say hard times, they had to leave.

Constant insults are the theme of their daily routine,

And the people they're surrounded by all live where the grass is green.

Yet instead of holding out a hand,

They watch from an ivory tower, Impose an oppressive state,

Back against the walls looming figures cower

Although, beneath all concealed emotions is something,

Slightly less dour.

Something surfacing and eager, yet shy to blossom,

All it takes is cement and bricks to build foundations from the bottom.

As simple as it is to put someone down, it is to help them grow,

In life that is a key lesson and one we should all know.

"But they're an outsider!!"

That doesn't segregate them from the rest,

They now strive for success,

A nonchalance to anyone else's perception,

Focused vision, mentality and determination is their formula to be the best.
