Oxford University Visit – Year 8

On Tuesday 22nd of January a group of Year 8 students travelled to Oxford University and had a tour around. We also talked to a few students that had been studying at Oxford.

We then ate lunch in a giant beautiful hall with amazing stained glass windows. After lunch we had a lecture about medicine. Before we left, we took a small tour of the other buildings the University uses. As we were walking, it started to snow and the buildings were beautiful.
